WHY ARE YOU LOOKING FOR THE WIZARD?

A Spiritual Enrichment Retreat

Holland's United Methodist Church

September 15, 2018

Everyone is looking for something out there to fix things for us. We will google for answers and talk to friends and family but we don't need a wizard like Dorothy and her team did because we have Jesus!

Join us as we go on this inward, personal journey down the yellow brick road.

During our 8th annual Spiritual Enrichment Retreat our mission focus will be Able to Serve. Able to Serve sets a new standard for equipping people who have developmental disabilities to *learn, grow, lead, and serve*. With individualized educational instruction, daily involvement with our community, social experiences, and community service projects, Able to Serve continually challenges our participants to become who they want to be. We are committed to instilling higher expectations—in both our participants and our community—of what our participants can hope for in their lives.

We will be learning more about this mission through a guest speaker as well as collecting a love offering.

Laura Hamilton

Back by popular demand, Laura Hamilton will be speaking at our Women's Retreat on Saturday, September 15th. Laura has been with us three times in years past and she is remembered for her great humor and strong Biblical messages. This year Laura brings musical guests with her for a day you will long remember.

Mark your calendar today for September 15th.
